September 1, 2021

Dear St. Joseph School Families,

I am very happy to inform our school families that Mrs. Diane Spence has accepted the position of Second/Third Grade teacher here at St. Joseph School.

Mrs. Spence is certified through the State of Michigan, with a Master in Education degree, and brings twenty years of teaching experience that includes grades 1st through 7th.

Please welcome her as she begins her career at St. Joseph's next week.

We want to thank Mrs. Mary Smith for all the hard work she has done these past weeks in getting the Second and Third Grade classroom ready and taking these wonderful children "under her wing". May God Bless her and her family with loving care!!

And again, many thanks to the Father Kempf, the staff, our wonderful parents, and their children for keeping St. Joseph's in their hearts and prayers!

Disciples of Christ,

Mrs. Patricia O'Mara

MISSION STATEMENT

"St. Joseph School, staff, parents, and parish family are committed to teaching quality, Christ-centered Catholic beliefs and values. Our uniqueness is displayed in our staff dedication, parental involvement, and community pride, which make St. Joseph a leader in academic excellence, social integration and appreciation."
