

Wednesday Hot Lunch

About: The Wednesday Hot Lunch program is not run by St. Joseph School administration; it is run independently by parent volunteers, including all accounting and banking. The goal of the program is to continue the special and unique experience of a home-cooked meal and to give families a day off from packing lunches. We do not seek to make money but to simply be sustainable and continue this experience for our St. Joseph School students. Anyone is welcome to view the accounting for the hot lunch program, at any time.

Meals: The Wednesday hot lunch program is a full YES or NO option. This means that you will pay one price at the beginning of the year and be included in all of the year's Wednesday hot lunches. There is no picking and choosing of certain lunches. Participation in this program is completely optional. If you choose not to participate, your child will need to bring a packed lunch every day.

Cost: Wednesday Hot Lunch costs \$3.00 per lunch for a total of **\$105 per student** for the year.

Payment: Checks or Venmo are accepted.
