Michigan Catholic Tribune Circulating: Some of you may remember the newspaper from 2022 entitled the "Michigan Catholic Tribune." We have become aware of its presence again here in Michigan including within our diocese. In 2022, the newspaper was mailed to random households within the diocese, both Catholic and non-Catholic. The Tribune falsely presents itself as a Catholic publication and includes politically related content meant to assist Catholic voters in casting their ballots. The publication is not in alignment with [Forming Consciences for Faithful Citizenship](#). This publication and its accompanying website are not endorsed by, nor are they affiliated with the Diocese of Grand Rapids or the Catholic Church. We

know that the paper has already been received by at least one household in our diocese, along with other dioceses of the State. We do not know who or how many people may have received this newspaper. To see more information you can visit the diocese [website](#).
